

2023 Pricing Structure

Beginning January 1st, ALL classes will be moving to enrollments.

As a thank you to our wonderful community,

most class prices have dropped and all classes come with additional perks.

Drop-ins will still be allowed when space permits at an increased price.

Current contract holders will maintain their spot in class. As always, if you wish to drop before the end of the month, please notify us by the 25th.
